OUR POWER SOURCE

The Bible is God's voice speaking to us just as surely as though we could hear Him with our ears. The Word of the living God is not merely written, but spoken. Do we receive the Bible as the oracle of God?

If we realized the importance of this Word, with what awe would we open it, and with what earnestness would we search its precepts. The reading and contemplating of the Scriptures would be regarded as an audience with the Most High.

God's Word is a message to us to be obeyed, a volume to be perused diligently, and with a spirit willing to take in the truths written for the admonition of those upon whom the ends of the world are come. It must not be neglected for any other book.

The life of Christ, that gives life to the world, is in His Word...The whole Bible is a manifestation of Christ. It is our source of power.

As our physical life is sustained by food, so our spiritual life is sustained by the Word of God.... As we must eat for ourselves in order to receive nourishment, so we must receive the Word for ourselves. We are not to obtain it merely through the medium of another mind.

Yes, the Word of God is the bread of life...

The Living Word Spoke to Larry Lanaville

Larry Lanaville working on Pioneer chapel. He and his wife, Jan, live in Madison.

I have been a building contractor all my life. The very last job that we did before retirement, the homeowner called and said the building was three inches 'out of square'. So I checked it out, and it definitely was three inches 'out of square'.

Then I talked with my wife, Jan. I told her that the homeowner wanted the problem corrected before we would receive the last payment. She said, like she always says, "Let's pray!" As Jan was praying, my first thoughts were that there is no way this can be fixed, unless

God can do His 'magic trick'. Over the years, I have always solved problems myself. I never looked to God; I just solved the problem. After Jan finished praying, I went back to the job site, hoping that the building would be 'square'. When I measured again, the building was still three inches 'out of square'.

I decided that I should give God a little more time. I waited for awhile and measured again. Nothing changed. Then as I stood there, my head started to

swell, and it really began to hurt. I heard this loud voice, saying, "Be still and know that I am the Lord, your God," It really scared me.

Then a calmness came over me. All these thoughts started coming into my mind: "What don't you do this...why don't you do that...?" As I stood there, more thoughts kept coming into my mind of how to correct the house problem. I knew that this was God talking to me!

After I sorted all this out, I talked with the homeowner and he seemed to think that the solutions would work. The work was completed and we were paid in full. Praise the Lord!

At the time I did not know where I could find this particular verse in the Bible. I do know now: Psalm 46:10, "Be still and know that I am God." Shortly thereafter, Jan bought a plaque with this verse on it. It has hung in our living room ever since!

Now I look to God for everything that I do, and I LISTEN...

Meet Our Speakers

DEREK MORRIS

First Weekend Speaker

Elder Derek Morris currently serves an associate secretary for the General Conference Ministerial Association.

He is also editor of Ministry, an international journal for pastors. He is teacher for Hope Sabbath School, an international interactive Bible study on DIRECTV 368, and an adjunct professor at Southern Adventist University.

His greatest joy is found in helping people to experience a life-changing encounter with the Lord Jesus Christ.

Elder Morris and his wife, Bodil, have two adult sons.

Derek and Bodil have written and recorded many Scripture songs on CD's. If you want to memorize Scripture, putting them to music is a fantastic way to learn.

Steve Darmody in Concert Sabbath Afternoon at 2:30 pm

Steve Darmody is one of the finest bass-baritone voices in gospel music. He has been serving Christ through concert ministry since 1979, averaging some 100 concerts each year.

He is Artist Associate for World Vision, the largest Christian relief, development and child sponsorship organization in the world.

Steve's hope is that people will carry his songs into their daily lives, and be reminded that the claims of Christ, clearly found in His Word, will produce a life filled with contentment and peace.

Tour Half-Scale Replica of the Old Testament Sanctuary

The sanctuary services were a visual drama of God's plan of salvation for mankind. The Ark of the Covenant was housed in the inner chamber of the Holy Sanctuary. This ancient tabernacle and its services provide the backdrop for the prophetic book of Revelation in the New Testament.

The symbolism of these services is also the focus of the life and ministry of Jesus, with His death on the cross as the culmination of what was portrayed in the sanctuary services. Jesus often referred to Himself in the symbolism of the sanctuary and its services.

Walk-through tours of this exciting exhibit will be given daily throughout camp meeting.

Sarah Hillebert Leads Daily Early Glow Meeting: 6:00am

We have confidence in knowing that God does what He says He'll do. He says that when He abides in us and His Word abides in us, we can ask for what we desire and it will be done for us. John 15:7. So let us humbly gather and tell Him that what we really want is whatever He desires for us. Let us courageously pray His Word back to Him on behalf of others. He's listening in love. Let's speak.
