## What is the Value of Adventist Education

Green Bay Adventist Christian Academy students with their teachers Adel English, Carmen Magray and Head Teacher, Kiana Roat.

You can't help but learn, love, and laugh, (the three L's).  
*Carter Wilde, 8th grade*

I like AJA because it is like a second home in a way. We are all here to learn about God and grow together. I've been going to AJA for a long time it seems, and my experience has been great. My favorite memory is the mission trip of 2015.  
*Naomi Campbell, 9th grade*

I like AJA because  
The food is great  
And I have lots of mates!  
Great teachers, Great preachers,  
they are all fun  
And I am sad when the day is done.  
*Nadia Perez, 5th grade*

I like AJA because it is nice and small. That way, all the teachers get plenty of time to know the students. I also love that all the teachers are super nice. They dedicate their time to give students attention and an education so that those students may get a good job; some of them becoming teachers themselves so that more people can be educated.  
*Violet Blake, 4th grade*

Perhaps you're wondering, what does Adventist education really have to offer? Do we have a state of the art Science lab? Do we have extra curricular activities like sports, drama, or music? Do we have the latest and greatest in technology so that every student has a tablet and can do school from the comfort of their living room sofa in their pajamas? (Not quite, your student still has to come to school.)

who attend Adventist Junior Academy.

What I love about AJA is we get to go on these really fun field trips such as camping, mission trips, and going to Grancare and spending time with the people there. And I also love spending time with God.  
*Diana Bustamante, 7th grade*

What I like about AJA is that it provides the best experience as a student with wonderful teachers and classmates.

Here are some testimonials in the words of students

What does Adventist Education offer? We have hope. We have hope that there is more to life than a swimming mass of cells which at some point get old and die. We have hope that there will someday be no more misunderstandings, no more divorce, no more cancer, no more accidents, no more depression, no more shame, and no more mistakes. At Adventist Junior Academy we

WILL teach your child how to read, but we'll also teach them what the Author of the Universe has written. We WILL teach them math, but we'll also teach them about the only One who can number the stars. We WILL teach them science, but we'll also teach them WHO created life and what the purpose was. We WILL educate leaders today, but prepare them to walk with Jesus into eternity.

## SO COSTLY & YET FREE

Money cannot buy it, intellect cannot grasp it, power cannot command it; but to all who will accept it, God's glorious grace is freely given. But men may feel their need, and, renouncing all self-dependence, accept salvation as a gift. Those who enter heaven will not scale its walls by their own righteousness, nor will its gates be opened to them for costly offerings of gold or silver, but they will gain an entrance to the many mansions of the Father's house through the merits of the cross of Christ.

For sinful men, the highest consolation, the greatest cause of rejoicing, is that Heaven has given Jesus to be the sinner's Saviour. . . . He offered to go over the ground where Adam stumbled and fell; to meet the tempter on the field of battle, and conquer him in man's behalf. Behold Him in the wilderness of temptation. Forty days and forty nights He fasted, enduring the fiercest assaults of the powers of darkness. He trod the "winepress alone; and of the people there was none with" Him (Isa. 63:3). It was not for Himself, but that He might break the chain that held the human race in slavery to Satan.

If we are overcome let us not delay to repent, and to accept the pardon that will place us on vantage ground. . . . Over every sinner that repents the angels of God rejoice with songs of joy. Not one sinner need be lost. Full and free is the gift of saving grace.

Question of the week

## WHAT ARE THINGS YOU LOOK FORWARD TO WHEN YOU GET TO HEAVEN?

Meeting Jesus, my Savior, is what I look forward to the most. His love and compassion for me is something I want to understand. I love to learn, so I look forward to the Master Teacher's classes. As an educator I perceive the Continuing Education Units will be interesting, deep and comprehensive. I look forward to being reunited with my mother,

other family members and loved ones. I look forward to being restored physically, mentally, and spiritually and having the ability to sing with the heavenly choir. I look forward to the peace and joy of heaven where sin will no longer be present. Come soon Jesus!

*Linda Rosen  
Wisconsin Conference  
Superintendent*

**Beginners** If you want to learn about heaven or farm animals, you like to sing, and are between the ages of 0-3, this is the place for you! Each morning the beginners are learning about heaven and the Bible through songs and interaction. In the afternoons the theme is At the Farm. The songs each have an activity that the little ones participate in by bringing something to the front or hopping around like a frog or bunny. They are learning to witness, their Bible verses, finger puppets, and much more. Times are 9:30 -10:30 am and 3:30 - 4:15 pm Mon. - Fri. in Red Pine Lodge and 9:15 - 10:15 on Sabbath.

**Kindergarten** Heroes of the Bible is the theme in the Kindergarten department this year. Tammy Elmer and her team of 10-15 volunteers are having a wonderful time teaching the children all about Moses, Dorcas, Little Lad, Esther, Little Maid, Gideon, Jesus and how they can be heroes for Jesus too. They are doing wonderful craft projects like making their own Dorcas vests, trumpets and torches like Gideon and many more. They've had between 60 and 75 in attendance while here at camp meeting. Times are 9:30 - 10:45 am and 3:15 - 4:15 pm, Mon - Fri. in Hickory Lodge and 9:15 - 10:30 am on Sabbath.
