up for the college class, “Life and Teachings of Jesus,” and completed it in May.

“This experience has given me confidence that I can be taught, that I can be a witness, and that God is leading in my life,” said Travis. “Since then God just keeps opening doors. I’m giving Bible studies to employees at work, my business partner agreed to honor the Sabbath in our business, and so many miracles have happened in our business since I’ve accepted Jesus, that Amanda my office manager said, “Something is going on here.”

After passing his GED, Travis called Kathy at the technical college and said, “Kathy, I want to tell you why I think I passed that GED test. It’s because I was doing it for Jesus. My goal is to work for Him for the rest of my life.”

Travis is selling his businesses and has accepted the position of Operations Manager for Adventist World Aviation (AWA). “I don’t know if I’ll be with AWA the rest of my life,” said Travis, “but I do know that whatever I do, I’ll be serving God. Wherever He opens the door, I’m going to follow.”

Ellen G. White Devotional Thought
LAST RECORDED LETTER

The Lord has given me a message for you, and not for you only, but also for other faithful souls who are troubled by doubts and fears regarding their acceptance by the Lord Jesus Christ. His word to you is, “Fear not: for I have redeemed thee, I have called thee by thy name; thou art Mine.” You desire to please the Lord, and you can do this by believing His promises. He is waiting to take you into a harbor of gracious experience, and He bids you, “Be still, and know that I am God.” You have had a time of unrest; but Jesus says to you, “Come unto Me,... and I will give you rest.” The joy of Christ in the soul is worth everything. “Then are they glad,” because they are privileged to rest in the arms of everlasting love...

It should not be difficult to remember that the Lord desires you to lay your troubles and perplexities at His feet, and leave them there. Go to Him, saying: “Lord, my burdens are too heavy for me to carry. Wilt Thou bear them for me?” And He will answer: “I will take them. ‘With everlasting kindness will I have mercy on thee.’ I will take your sins, and will give you peace. Banish no longer your self-respect; for I have bought you with the price of My own blood. You are Mine. Your weakened will I will strengthen. Your remorse for sin I will remove.”

Travis Maloney’s Story - Part II

Travis Maloney, felt impressed to sell his business and do something for Jesus. He needed to get his GED before taking college classes, but the technical college said his odds of passing the first time through were almost zero. That didn’t discourage Travis. He knew this was what God wanted him to do and believed God would get him through.

With a prayer to God, Travis took the first test and passed. The second test had a one hour section and a 45 minute section. There could be no breaks. Travis said, “I had used the bathroom before the test, but for some reason I had to go really bad. I was sweating. I finished the first hour, but with 45 minutes to go I knew I couldn’t wait. I asked Kathy, director for GED testing, for a pardon, but it was denied. So I just went to the bathroom, got my keys and left.”

As Travis drove away he was upset. “God, You know why I’m doing this. I want to do it so I can teach people about You! That’s not selfish. I prayed before my test. Why didn’t You help me!”

Travis Maloney and his wife, Michelle have agreed to work for Adventist World Aviation. Travis will be the Operations Manager, and Michelle the director of nursing.

When he got back to his office he had an email saying “You passed.” The first thing that came to his mind was, “O ye of little faith.” Travis thought, “OK, God’s got a plan for me. I have to keep moving forward.”

In the third test, Travis ran out of time and still had not answered 12 of the 39 questions. He left discouraged, but an email soon informed him he passed. “What in the world is going on here,” asked Kathy? “How are you passing these tests?”

As everyone said the last test was the hardest, Travis asked a college professor to help him prepare the evening before the test. “When do you take the test,” asked the professor? “Tomorrow morning,” said Travis.” The professor laughed, “You’re not going to pass. I’ve had people study for six weeks and still not pass. You are wasting your time and money.” “Well,” Travis replied, “I have to give it a try.”

Back at his business, employees Scott and Amanda, had been witnessing these tests results with amazement. The morning of the final GED, Travis took a practice test and asked Scott, his draftsman, to do it with him. They failed. Scott told Travis “If you pass this test, I’ll know that God had something to do with it.”

After taking the final GED test, Travis headed back to the office. His whole crew was there, waiting to hear what would happen. Travis opened his email, and with tears in his eyes announced, “I passed.” Travis called Derek Morris, signed
