Amazing Facts Comes to Milwaukee

Friday night, August 4th, the Amazing Facts Prophecy Seminar began at the Expo Center in Waukesha, WI. Seminar speaker, Brian McMahon, thrilled the audience with presentations that unlocked the prophetic books of the Bible.

But all did not proceed smoothly . . .

- ◆ The local Christian radio station made it their mission to oppose the "Amazing Facts" meetings
- ◆ The local Christian radio station sent a flyer to their **whole mailing list** warning not to attend or participate in these deceptive teachings
- ◆ Someone took it upon themselves to place warning tracts on every car windshield in the parking lot warning people not to return

Brian and Heidi were not daunted by the opposition but continued to proclaim the Truth in Word and in song. Attendance by members and guests remained good throughout the meetings.

Over four hundred guests came to hear the Word of God in spite of opposition. As of last Sabbath, thirty-two had been baptized. The Milwaukee area pastors report many more individuals preparing for baptism in the near future.

The meetings were sponsored by the Anglo and Hispanic Adventist churches in the greater Milwaukee area. Pastor Claudio Consuegra translated and then broadcast the meetings in Spanish simultaneously with Brian MacMahon speaking in English. It was not uncommon to see people with earphones on during the meeting, listening to God's Word in their own language.

W.A. Cafeteria Project Begins

On August 14 just before 1:00 p.m., the construction of a new cafeteria at Wisconsin Academy began.

Fred Miller is general contractor for the project. Brother Miller of the Madison East Church is also donating his services for the project.

Fred reports that the crew began laying the block for the walls on Wednesday, August 30th. He hopes to have a sealed structure before October ends and the Wisconsin weather turns for the worse.

The Conference has received donations of approximately \$550,000 cash towards the \$1 million construction project. There are about \$350,000 in pledges that are yet outstanding. There is also a need for an additional \$150,000 in donations so that the project can be completed next spring. The builders are optimistic about having the project complete by alumni week-end, 2001, if the funding is fully in place. (Pictures on page 6)

The Presidential View

Pauls of the Twenty-first Century

On resurrection day there are some people I am particularly anxious to meet.

Jesus and family members naturally come first. Members of the church family will be a special part of that great reunion. I believe I will also seek out the Apostle Paul quickly. He has inspired the Christian church with a passion for mission. His stories of sharing the gospel are captivating. His testimony before King Agrippa told a lot, "I was not disobedient unto the heavenly vision."

I pray that the spirit of Paul will characterize us in the twenty first century. At the General Conference Session, we heard people telling exciting adventures for their Lord. Church growth is exploding around the world. With about 3,000 new members being added daily, each day is a Pentecost! Nearly one million are added each year.

All these people need to be discipled and inspired with the spirit of mission and sacrifice. Paul followed the lead of the Holy Spirit and thus his life was always dynamic—never dull and static.

This summer we have seen a number of people leave our conference. It is difficult to see people leave who have been an integral part of fulfilling the mission of this conference.

- ◆ Dale Ziegele who has inspired youth in this conference for 23 years accepted a call to minister in Oregon.
- ◆ Herb Wrate is retired but his life is dedicated to mission & he will serve wherever he lives.

- ◆ Steve Gallimore will give leadership to the New York conference as its new president. We have seen several pastors leave as well; the Plummers, Weakleys, Rudoyes, and McCombs.

How do we relate to all this change? It is difficult to see those who have given years of their life leave this field. They are people we love and with whom we greatly enjoyed ministry. Yet, if they are where God is calling them, we can be thankful.

As we enter the last moments of earth's history, this is the time to be guided by God's Spirit in a special way and be where God calls us. He may not allow us to become too entrenched in a comfortable lifestyle. He may call us to service in our community or in another part of the world.

If God calls some from Wisconsin, then be assured the same God will see our need and call others to this field. Wisconsin is a great place to work for God. Most who read this article are being called of God to work here, in this State-- In our villages, towns and cities. He is challenging us like Paul to heed the "Heavenly Vision" and follow the lead of His Spirit. What great stories will be told the next few years with this spirit pervading all of our conference!

An Open Letter to members of the Wisconsin Conference

"Thank You All!"

Praise be to God for what He has wrought! Last year we told you that the tithe increase of over 11% was the biggest increase in one year we have ever experienced in recent history in this conference. However, this year the increase to date is over 12%. We thank God for the faithfulness of the church members in Wisconsin. We know that what we experienced is God working through us.

As we reported last year the additional funds helped the conference achieve the needed operating working capital recommended by the General Conference. The conference now has 100% of the recommended working capital. This has been a project of over a decade because just over ten years ago the conference was under 20% of the recommended amount. The conference can now strengthen work in the field. At a recent conference Executive Committee it was voted to provide additional pastoral support to the Green Bay church where considerable growth has taken place recently. The church membership is now heading toward five hundred.

Studies are being given to further support. We want to add carefully because it is not always easy to sustain what can be made possible in a good year. This year, additional evangelism funds were needed for the many crusades taking place. We praise God for a good year to meet the many needs that arise in a growing program.

Wisconsin's 12th Women's Retreat

October 27-29—Chula Vista, Wisconsin Dells

Judi Rogers,
Speaker

Christian fellowship and care are the reasons so many women say, "I wish it would never end." The main meetings and breakaway sessions convey a sense of being understood; the singing gives a *transported-to-heaven* feeling; many mother-daughter reunions are planned for retreats. It is an occasion when women bring non-Adventist friends and now, those people are bringing their friends.

Scholarship money has been donated, enough to sponsor one half the cost (\$47) for 21 women. This money is available to give women a chance to attend who otherwise could not be there. Inquire through your local church contact person or call Aileen at the conference office.

- It is a great opportunity to introduce a neighbor to your church?
- Are you a single mom whose budget has always been stretched to the limit?
- Do you have a loved one who has fallen away from a friendship with Jesus?

The weekend is available to all women 18 years and older. The package price includes four meals, hotel accommodations and other retreat expenses. Registration begins at 3 PM on Friday; the retreat concludes at noon on Sunday. Applications are available at your local church or from the conference office.

90 Pathfinders gathered for their fall camporee at Camp Go-Seek. Over 150 people were present for the weekend event!

Pastor/Teacher Transitions in Wisconsin

After years of relative stability in our work force, winds of change have blown in Wisconsin. We might date the events beginning with **Don Schneider**, a Wisconsin native, accepting the call to be the president of the North American Division.

When someone takes his place, that leaves a vacancy, and so on, and so on . . .

Please pray that the Lord will be in all these matters and that His Church in Wisconsin will be more effective in mission with all the change that is in the wind.

New President of the Lake Union Elected

On Friday morning, September 1, Gordon Retzer, former president of the Florida Conference, accepted the position of president of the Lake Union Conference.

Gordon and his wife Cheryl traveled here on Thursday, looked the office over, attended our office corn roast, and gave his answer Friday morning. His daughter and son-in-law, who is attending the Seminary joined us for the corn roast.

Much more information will be coming as soon as we can prepare it. There will be a story announcing his election in the October Lake Union HERALD.

Ken Cox Evangelism to Impact Wisconsin

Ken Cox has faithfully been proclaiming the gospel of Jesus Christ for many years. His evangelistic meetings have helped people understand Biblical truths that are pivotal for this time. He has been sharing his program in a powerful message in Wisconsin this year, and that will build to a crescendo during October and November.

Five districts have been involved in a program of Bible studies with the Ken Cox tapes since this spring. The pastors of these districts are Bill Ochs, Delmar Austin, John Johansen, Gaylan Herr and the Wausau district which at present is without a pastor. The plan is to have the Bible studies progress until October and November when Ken Cox will come in person and hold five weekend reaping events in each of these districts. The

whole Ken Cox team will be present for these weekends.

Ken Cox began the big Chicago event "The Midnight Cry" on September 9. This will continue until October 14. This series will be uplinked and available through 3ABN and Adventist Communications Network in churches and in homes. Thousands of homes will be centers of evangelism during this time. Following this major series he comes directly to Wisconsin.

After several months of work in the five churches working with the Ken Cox Videos, there are about 225 still doing the studies. Pastors Johansen and Ochs report people already attending church as a result of the video studies.

Here are the dates for the Cox Rallies:

Green Bay Oct 20-22

Portage Oct. 27-29

LaCrosse Nov. 3-5

Columbus Nov. 8-10

Wausau Nov. 17-19

What an opportunity to see decisions for Christ! What an opportunity to pray for the moving of God's Spirit on the hearts of people!

Pastoral Evangelism This Fall

Crusades will be conducted by:

- Richard Moore in Madison
- James Fox in Eau Claire
- Kevin Ferreira in Eagle River
- Reuben Rivera in Sheboygan

With all the lay people and pastors involved in evangelism God will be honored with many souls for His kingdom. Praise His name!

Singles Ministry is Alive

On Saturday, July 22, 2000, the Madison Singles Group Ministry celebrated "Church in the Woods." About 25 people participated in the event from as far as Frederic and Milwaukee. We met at Governor's

Dodge State Park in Dodgeville, WI. The day started with Jack McNeilus presenting a very inspirational message and followed up with a delicious luncheon and a hike through the park trails. We closed the Sabbath with evening vespers and a light dinner. People who participated in the outing were very enthusiastic about this new ministry and found it to be a blessing and a much needed ministry. One of the participants said, "I just wanted to say thank you for the wonderful time I had! Carmen was also glad she came. It was a new experience and hopefully it won't be the last. What a great opportunity to meet new people. . . . God bless, Sheri."

During this time, many new friendships were made as people shared their testimonies. The group's next event will be held on Saturday, October 21, 2000 at High Cliff State Park in Shorewood, WI in the Fox Valley area. For more information on the event, please contact Jack McNeilus, Ana Aquino-Pérez, or Jim Polkowski at madsdas@hotmail.com.

Join the Prayer Warrior Ministry

A good friend of mine once told me that he was destined to be a Christian because his grandmother refused to stop praying for him. Anyone with spiritual eyes and ears knows that today's youth are under siege by Satan and his army of angels. The good news however, is that we as Christians can intercede on behalf of our teens with the power of prayer.

This year we are looking for 150 volunteers who will plug into the power source of Christ on behalf of a specific student/staff member during this coming school year. You can indicate who you want to pray for or we will give you a person's name. The "Prayer Warrior" ministry has impacted the lives of many students on this campus. Some churches have banded together and remembered their students with not only daily prayers, but with encouraging cards and care packages. We wish you could see the smiles when the students receive this kind of mail!

"Thank You" to Honor Churches

I was looking over our stewardship reports and found my soul flooding with gratitude to God and you leaders whose churches are leading the way in Wisconsin Budget. Twenty-one churches are over the "to date" WI Budget goal! And your tithe amount also demonstrates your faithfulness to God.

Our Door County Churches are leading the way. Imagine Sturgeon Bay with 377% of the to date goal and Fish Creek with 317%. That's leadership!

A special thanks to our Madison Church for being among this group! They have the largest goal and have reached 111% of it and support a church school as well.

This is such an important source of funds for the support of:

- Wisconsin Academy Operating,
- Wisconsin Academy Worthy Student funds,
- Evangelism,
- Camp Wakonda at Westfield, and
- Funds to help our local churches with their church and school building projects.

All of these, except Evangelism, need non tithe funds and WI Budget provides these needed funds.
