Exciting Things Are Happening at Camp Wakonda!

One of the many volunteer groups that have given of their time

If you are reading this it's likely
because you are here at Camp
Wakonda looking forward to this
wonderful camp meeting week!

As you look around you
will likely notice things are
changing, and in a good way.
God has blessed us with this
wonderful campground and it
is an honor and privilege to be
able to take part in the upkeep
and ministry that takes place
here.

It has been over a decade
since any major improvements
have been made to the various
facilities at Camp Wakonda
and it was time to make some
changes. God provided us with
three things to enable these
changes to happen:

1. An event,
2. People,
3. Resources.

The event took place last year
during camp meeting which
brought this conversation to the
table. We had a severe weather
alert with high winds. We even
spent some time in the tornado
shelters. During the storm
our Youth Division tent was
destroyed. This event brought
the discussion of renovations
to the forefront and got the ball
rolling.

The second thing God provided
was people. Elgin and Becky
Ziesmer, Elder Brian Stephan,
Pastor Tom Michalski, Floyd
Brock and many more
leaders, including the camp
management committee, put

their heads together to formulate
a plan. Their talks started with
replacing the division tents
with permanent structures,
remodeling the bathrooms,
building a new medical building,
and the list grew from there.

From these conversations
resources began to appear.
Both in the form of financial
contributions as well as
dedicated man hours.
Volunteers in organized
groups, such as Maranatha
International, have come and
made a big difference. But
by far it has been "YOU", the
local church member, that has
made the biggest difference.
Countless hours of sanding,
painting, picking up sticks,
raising walls, pouring concrete,
fastening siding, trimming
bushes, and spending days off,
weekends, and holidays doing
what needed to get done. These
efforts were led by people such
as Darwin and Dallas Kasner,
Bob Sachse, Tom Michalski,
and Glen Mills to name a few.
Without the dedication of these
and many others we would not
have been able to accomplish
so much in such a short time.

I want to thank each of you
for the man hours, financial
support, and prayer that you
have given toward this project!
Without YOU all this would not
have been possible! Together
we are Building Our Future!

Cover Story
CONTINUED...

We aren't done yet, but by this time next year we will be able to enjoy a long list of beautiful improvements at our camp. A new Nature Center, a new Conference Room, a new Camp Store, a new Medical Building, bathrooms that have received a needed facelift, an already appreciated new laundry facility, and new division buildings. And this list just hits some of the high points.

There are dozens of people deserving of recognition, maybe even hundreds. Knowing I would not be able to thank them all I would like to take a moment to recognize the leadership and vision of Elgin and Becky Ziesmer as they live on site and oversee the ministry facility that we know as Camp Wakonda.

It is my prayer that, until Jesus comes again, we will be able to enjoy ministry at this wonderful facility.

Lastly, I would like to thank you for being a part of Camp Wakonda.

SABBATH CONCERT

Stephanie Dawn is a gentle person who serves God through her music, using her voice to sing His praises and communicate His Word to others.

Her life has been one of struggle and pain, therefore she has compassion on those who are hurting, and longs to connect with them at a spiritual level, trusting God to use the gift He has given her to bring others closer to Jesus. The music she shares is based on Scripture and carries with it the influence of the Holy Spirit on those who are listening.

Stephanie's powerful testimony, engaging voice, and exuberant personality captivate and draw the listener closer to God. Her enthusiastic love for Jesus lifts her above the many challenges she faces in addition to her blindness. This love is inspiring to others facing challenges in their own lives.

Stephanie is accompanied by pianist Dann Thornton. They share a musical connection that creates an attitude of praise to our God and brings to the listener a fresh revelation of God's Word. It is their purpose to bring honor to our Lord Jesus Christ.
