Singing While We Work

Pastor Justin Spady, Teacher Charlyn Marsh and students from Hillside Christian School

The morning of May 18, 2023, was bright and sunny. Students from Hillside Christian School excitedly climbed into cars and headed for Camp Wakonda to help with the Work Bee to prepare the camp grounds for camp meeting and the summer camp program.

When we arrived, we were assigned to pick up pinecones and small sticks in the area in front of Administration Row and nearby Bathroom 2.

Our local pastor, Justin Spady, encouraged us to sing songs while we worked! We sang "I've Got Peace Like a River" and "Jesus Loves Me."

Reflecting on the day of service, one of our students, Estrella, commented, "I like to feel helpful! Besides the hard work and scratches from the sticks, everything was amazing!" Another student, Luna, said, "My favorite part was lunch!" Kindergartner Aaliyah commented, "I liked

picking up pinecones. I liked being at the camp."

The Wakonda Work Bee was just one of several service projects that Hillside students participated in during this school year. Once a month we read to students in our local Head Start program. Every month we also help deliver beds as part of The Shepherd's House Beds for Kids community service project.

BE A PART OF "BUILDING OUR FUTURE"

You have the opportunity to invest in Camp Wakonda, this beautiful location the Lord has set aside for us all to enjoy.

There are still projects to complete as part of our "Building Our Future" initiative.

Installing doors and building permanent storage in the new Division Buildings will likely consume the current funding we have on hand.

The Cedar Lodge has been renovated with new bathrooms, an apartment, laundry facility, as well as an updated conference room. In addition, we need to replace the siding and a few of the windows.

Following these projects, we are planning for a new Camp Store and Medical building.

This would be a heated facility for year-round use.

Finally, our cabins are in need of further maintenance.

To complete these future projects, it is estimated we will need approximately \$150,000 to \$200,000. Our goal is to finish these projects in 2024.

We are grateful for your faithful support! Donations may be sent to the Wisconsin Conference Office or in state, through your local church by marking your tithe envelope "Building Our Future."

Together, we can make this facility, God's facility, a place to enjoy until Jesus comes.
