News for our Wisconsin church family

AUGUST, 1991

OUR FATHER'S BUSINESS

In the month of August we move toward the end of summer. Many stores offer special buys on "back to school items" -- clothes, lunch boxes, pencil sets and the like. The opening of school brings many families back to routine living following summer breaks for camp meeting, vacations and other activities.

What will be our priorities as we look to another school year? Will our youth be in our schools preparing for service in this life and the life to come? Will being about "Our Father's Business" be a priority for each of us?

The America of our forefathers has drastically changed, but the mission of the church continues in this a new generation. It is as wide as the world and as intimate as our heartbeats.

As a church and as individual members, we **must** be about the "Father's Business." In His youth, Jesus said to His parents, "Why is it that you sought me? Did you not know that I must be about My Father's business?" Luke 2:49.

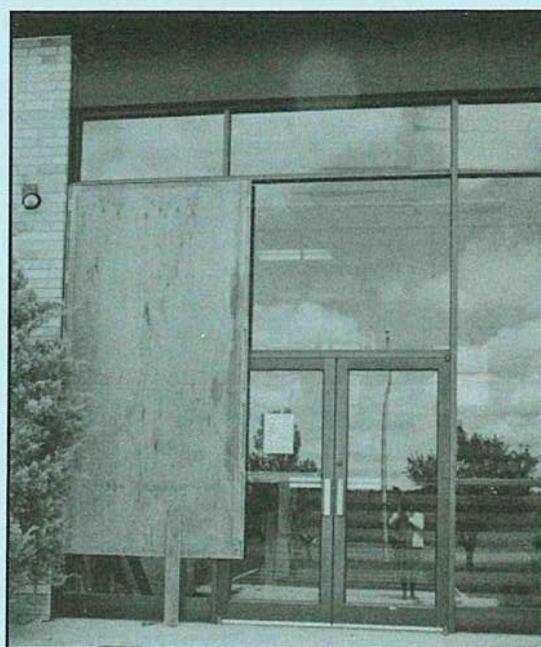

By His grace, let us become like Him.

Pray for the many efforts, large and small, that will be launched this Autumn here in Wisconsin.

Pray for the many lay members who will be doing their part to reach out to others with the Three Angel's Messages. We **must** be about **Our Father's Business**.

STORM DAMAGES BUILDING

Storms packing winds of more than 80 mph ripped through Madison on Sunday, July 7.

During the storms, the Wisconsin Conference office building sustained heavy damage. Approximately one quarter of the roof was removed by the high winds and a large plate glass window in the foyer area crashed in, blowing out ceiling tile and raining glass over the entire entrance area.

Most of the water damage was in the Adventist Book Center where water leaked through the ceiling damaging books and materials.

A few days before Christmas, 1990, for several hours Chad was listed as "unaccounted for" when there was an accident involving a ferry with personnel from the Saratoga aboard. Chad will return to the Saratoga, now based in Jacksonville, FL, early in August.

We did 13 half-hour programs plus 1 live 2-hour broadcast -- all in 3 days, as well as preparing all the food for the programs. I never washed so many dishes in my life!"

Clearwater Lake - **Robert McChesney**, associate professor of business and marketing at McKendree College, Lebanon, IL was guest speaker at the Clearwater Lake church on July 6. "McChesney's message emphasized that God often uses people, especially willing people, to effectively share the life-changing Gospel," reports **Harvey Hansen**, Communication Leader. ATTENTION - S.D.A. NURSES

Thirteen nurses met Thursday afternoon during Camp Meeting week for fellowship and networking. Each shared nursing activities they were involved with and names were drawn from those that attended for prayer partners during the coming year.

It was requested that a workshop on natural remedies with continuing education units (CEU's) be offered by Dr. Charles Thomas on Sunday, June 19, 1992 (during Camp Meeting 1992) from 1 - 6 p.m. A commitment from a large number of nurses would be needed in order to bring Dr. Thomas to Camp Go-Seek. It was suggested that non-SDA nurses might also like to attend.

All RN's in Wisconsin are asked to write immediately of their interest and intent to attend the workshop. Write to: Mildred Case, Department of Nursing, Andrews University, Berrien Springs, MI 49104.

A TIME OF REFRESHING

Enclosed with a recent mailing from the Conference Office was the brochure regarding the **Wisconsin Women's Retreat** to be held November 1 - 3, 1991 at Best Western Royale Inn in Stevens Point, WI. AN EDUCATION PARABLE

Parables - Jesus taught with them. They teach a truth in graphic language. They strike home -- home to you and your children. The enclosed parable could determine the eternal destiny of the children of the church -- maybe even your children. Please sit down for a few minutes and consider "What One Decision Could Determine Your Child's Future?"

WISCONSIN ACADEMY IS AFFORDABLE

For many, church school may seem possible through elementary school, but Academy and College seem too far out of reach for their budget. If you have had such thoughts, please study the following information before reaching a conclusion.

In Church School, Grades 1 - 8, tuition costs are normally \$100 to \$150 per month (9 months tuition plus entrance fee). Meals at home at \$1.00 per meal would average \$100 per month. Total cost to parents is \$200 - \$250 per month.

The cost per year to attend Wisconsin Academy as a boarding student is \$6990. Net student earnings during the school year for under 16 is \$1600 and over 16 is \$2400.

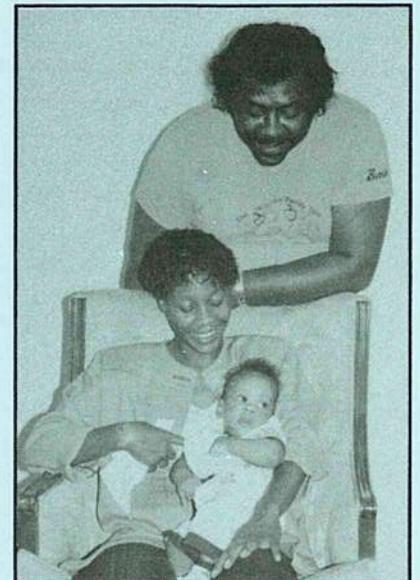

If student is eligible for a Youth Educational Scholarship, under 16 could receive an additional \$1600 and over 16 an additional \$800. In some special cases, even more scholarship money may be available. If student is not eligible for Y.E.S., add \$133 per month for the under 16 student and \$66 per month for over 16.

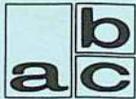

Parents or sponsors contribution of \$250 month would bring in another \$3000. Balance left for students to earn in the summer is \$790 - which is possible.

As you can see, if parents or sponsors can pay about the same per month as they did in elementary school for **12 months**, financing an Academy education is within reach for most of our members. If there are those in your church who need additional help, we encourage local church members to continue any support they gave in elementary school. **In this way, all of our children who want to attend Wisconsin Academy can be there this fall.**

If you have questions or need additional information, please call principal, Rick Serns, at (414) 623-3300.
