## Moving the World & Moving Wisconsin

*If Christians were to act in concert, moving forward as one, under the direction of one Power, for the accomplishment of one purpose, they would move the world. 9T p. 221*

**Having a part in "moving the world".... isn't this a description of what should be happening in Wisconsin?**

*The great work before us all, as Christians, is to extend Christ's kingdom as rapidly as possible in accordance with the divine commission. 9T p. 219*

**Our challenge in Wisconsin is --**

*.....to extend Christ's kingdom as rapidly as possible!*

*God calls upon us to press forward, using the gifts entrusted to us. 9T p. 220*

**Pressing forward, right here in Wisconsin!**

*In this warfare, there is no release. Ibid.*

**Even in Wisconsin!**

*The life of a true Christian is one continuous round of service. Ibid.*

**Let's serve Him!**

## Unity Our Need

*Strive earnestly for unity. Pray for it, work for it. It will bring spiritual health, elevation of thought, nobility of character,*

*heavenly-mindedness, enabling you to overcome selfishness and evil surmisings, and to be more than conquerors through Him that loved you and gave Himself for you. Crucify self; esteem others better than yourselves. Thus you will be brought into oneness with Christ. Before the heavenly universe, and before the church and the world, you will bear unmistakable evidence that you are God's sons and daughters. God will be glorified in the example that you set.*

*The world needs to see worked out before it the miracle that binds the hearts of God's people together in Christian love. It needs to see the Lord's people sitting together in heavenly places in Christ. Will you not give in your lives an evidence of what the truth of God can do for those who love and serve Him? God knows what you can be. He knows what divine grace can do for you if you will be partakers of the divine nature. 9T p. 186*

## Doing our Part for Global Mission

We hope you took the card provided in the February *Lampletter* and, with the direction of the Holy Spirit, chose your special projects for 1992. The idea behind this ministry is that if each member in North America spent at least 92 hours in various kinds of witnessing during 1992, 1000's of people would be interested in learning more about Seventh-day Adventists -- a way we can **DO OUR PART FOR GLOBAL MISSION.**

Write and tell us what you are doing? We'd like to share ideas with the Wisconsin church family.

## Wisconsin Academy News

**Music Department** -- The month of April will be a very busy one for the Chorales, Choir and Bell Choir beginning with the annual Spring Concert on April 11. In the program starting at 8:30 p.m., students will present excerpts from several musicals. Then on April 16-18, the upper grade students from Wisconsin K-10 schools will join the Academy Choir for a Music Festival. This group will also provide music for Sabbath worship services as well as a Sabbath afternoon program. At the end of the month, April 21-28, the Chorales and Bell Choir will travel to Canada and will perform at Kingsway College (Oshawa, Ontario), Crawford Academy (Toronto), Grandview Jr. Academy (near Hamilton, Ontario) and several churches, including Niagara Falls.

**Carey Rosen, Senior**

A SPECIAL THANK YOU to Dennis Robbins (Milton), father of WA students Melissa and Karmen, who recently volunteered his time to give the Academy Chapel a new coat of paint as well as the hall in the guest room area of the girl's dorm. Other community friends who have volunteered their services are **Debbie Moungey** and **Dave Ahlers** (Columbus). Debbie painted the boy's dorm chapel area and Mr. Ahlers donated various kinds of paper which has been put to good use in decorating for programs such as the Christmas Banquet, Amateur Hour and Fall Festival.

**STUDENTS FROM THE CLASS OF '92** invite you to the Class Play, Carolyn Lane's *The Scheme of the Driftless Shifter*, a mixed up melodrama that will have you laughing at its spoofs and wacky humor. Don't miss the premature curtain call or the bumbling finish, April 18, 8:30 p.m. in the Academy Chapel. Admission charged.

Several Wisconsin Academy students spent March 4-17 on a **Mexico Mission Trip** where they assisted in the construction of a church in the mountain village of Huizache and conducted daily meetings for the village people. Look for an article about this student mission trip in the June issue of the *Lake Union Herald*.

Linda and Steve will each receive a certificate, plaque and a check for \$1000. Please extend your congratulations to these two teachers who represent the many high quality teachers in our Wisconsin K-10 schools and Wisconsin Academy.

Thank you for your great response to the free shipping offer. We hope to be able extend this service again in future months.

I have just returned from the ABC Marketing Seminar where the new books for 1992 were introduced and I'm really excited about what will be available in the next few months. Here's a quick preview of some of the new books:

**LAST DAY EVENTS**, by Ellen G. White, is a new compilation that brings together in one volume Mrs. White's most significant statements regarding the end time. This is a book each of you will want for your library. Also, **Volume 4** of the **ELLEN G. WHITE INDEX** will be ready by camp meeting. This book covers previously unindexed portions of 27 books. Also available later in the summer will be the **last 10 volumes** of the **E. G. WHITE MANUSCRIPT RELEASES**.

We have sold all of our first shipment of **THINK BIG** by Ben Carson. This new book by Dr. Carson appears to be outselling his first book, **GIFTED HANDS**. Both books are also available on tape (audio books) and another new item is the **GIFTED HANDS** video.

**MORE ADVENTIST HOT POTATOES** will challenge your thinking as Martin Weber returns to the ecclesiastical kitchen to serve up another plate of steaming church issues. In this book he discusses legalistic education, independent ministries, nature of Christ and the SDA health system.

In **CRISIS OF THE END TIME** author Marvin Moore presents a forceful, yet easy-to-understand, explanation of the vital issues soon to face our church and our world. This book will help you walk with Jesus today and through the coming storm without fear.

Roger Coon has completed a book **THE GREAT VISIONS OF ELLEN G. WHITE** which gives insight into the culture and setting in which her visions were given, thereby helping the reader understand the full meaning of the visions and their application for us today.

This is just a preview of the new books available in the ABC. The June issue of the *Lampletter* will include a listing of the books available on the Super Sunday Sale at camp meeting and some other good things also available. **Plan now for your camp meeting purchases at the Adventist Book Center.**
