WISCONSIN CONFERENCE

Let it
Rain

JUNE • 20 – 28 • 2025

W8368 County Hwy E, Oxford, WI 53952

W elcome to Camp Meeting 2025!

We are truly looking forward to welcoming you to this sacred campground! Our prayer is that you will experience the powerful presence of God and the joy of salvation during your time here. Whether you're a member of the Wisconsin Conference or a visiting guest, whether you're joining us for the whole week or only a day, we believe you'll leave with a special blessing in your heart. We can't wait to share this incredible journey with you!

This year's theme is *"Let It Rain,"* which beautifully aligns with the North American Division's exciting spiritual initiative, *Pentecost 2025*.

This theme explores the profound biblical concept of the "latter

rain,"—symbolizing the anticipated outpouring of the Holy Spirit upon the sanctified church of God. We are prayerfully looking forward to a time of dynamic spiritual revival and the bold proclamation of the everlasting Gospel to all, marking a pivotal moment in history as we prepare for the Second Coming of Christ.

Our hope is that this Camp Meeting will be a transformative experience. This year's theme is rooted in the promise found in Joel 2:28-29, which invites us to open our hearts and prepare for what lies ahead:

*"And it shall come to pass afterward
That I will pour out My Spirit on all flesh;
Your sons and your daughters shall prophesy,
Your old men shall dream dreams,
Your young men shall see visions.
And also on My*

*menservants and on My maidservants
I will pour out My Spirit in those days."*

Get ready for an inspiring and uplifting experience at Wisconsin Camp Meeting 2025! We have an incredible lineup of events planned, including powerful sermons and presentations, a special concert featuring the talented Mary Grace, a heartfelt baptism ceremony, and our highly-anticipated annual 5K Run/Walk—the *Hallelujah Hustle*. In addition, you'll find a variety of seminars and training events designed to equip, engage, and encourage you in your walk with Christ.

Thank you for attending. May you be richly blessed throughout this special week.

YOUNG ADULT SPOTLIGHT

“Back to the Basics”

By: Wisconsin Conference's Public Campus Ministry (PCM) Coordinator

The following article has been adapted. Read the full article here: wi.adventist.org/back-to-the-basics.

Joshua Guerrero

In 1961, the Green Bay Packers were struggling. Coach Vince Lombardi walked his team onto the field, held up a ball, and declared, “Gentlemen, this is a football.” Sometimes, it takes a crisis to bring us back to what matters most.

When the COVID-19 pandemic hit, the church faced a crisis. Doors closed, routines vanished, and ministry was suddenly happening over Zoom instead of in sanctuaries. Mental health declined, isolation increased, and yet, amid the uncertainty, a deep hunger to know God began to surface—especially on college campuses. This provided both an opportunity and a challenge for the church to adapt to new outreach methods.

Before the pandemic, we had three thriving campus ministries in Wisconsin— at UW-Madison, UW-Milwaukee, and UW-Stevens Point. Afterward only one remained, a small, but determined group at the UW-Stevens Point campus.

At Stevens Point, uncertain times led us back to the basics of how Jesus impacted people. We met with students one-on-one, teaching them how to read the Bible, pray, navigate friendships, find community, and share their testimonies. This simple discipleship model brought the students stability through a relationship with

God, sparked group growth, and even resulted in a baptism! It demonstrated how the church can effectively reach today's secular environments.

From that foundation, we learned a few key principles:

- **Start small.** Pray for one person who's seeking Jesus. Walk with them, showing them what it looks like to follow Him in daily life. As they learn, encourage them to do the same for someone else.
- **Be a friend.** The goal of the relationship is to be present with people and be a friend. They aren't an object or part of your agenda.
- **Go where they are.** The more we engage in our community, the more curious they become about us. We went where the students were—playing volleyball, sharing meals, and supporting them in hard times. Hungry for community, they saw it bringing peace and hope to their lives.
- **Be faithful with little.** Zechariah 4:10 reminds us not to despise the day of small things. Invest in one person, then build small groups.
- **Keep Jesus at the center.** John 12:32 says, “And I, when I am lifted up from the earth, will draw all people to

myself.” Teach them to know Jesus first, then delve into deeper topics like prophecies and last day events, which may be difficult to understand.

- **Stay adaptable.** Listen to the Holy Spirit's still small voice and learn to adjust as needed.
- **Train leaders.** Staff must be trained and supported to influence the campus, disciple students, and grow campus “church plants.” This mission requires full-time involvement to yield the best impact. Thanks to a generous grant, we've provided public campus ministry staff for multiple campuses.
- **Create campus houses.** We've run one at UW-Stevens Point for nine years. It provides an example of Christ-like living, houses staff, and serves as a training base and ministry hub. This spring, it hosted a Creation vs. Evolution event, Sabbath Bible studies, leadership training, and more.

We wanted to expand from UW-Stevens Point's—but how? After earnest prayer and planning, this project was launched at several new campuses, with chapters at UW-La Crosse, UW-Madison, UW-Milwaukee, and UW-Oshkosh. Committed staff at each location now foster an environment where students meet Jesus

and connect with local churches. Here are stories from two of our campus ministry leaders.

At UW-Madison last fall, a few of us decided to revive our Adventist Christian Fellowship (ACF) chapter. “We had no idea what we were doing,” Slava Cherempel, Madison’s student leader, admitted, “but we had abundant support—from our local church, our pastor, and Wisconsin PCM coordinator, Josh Guerrero.” We began with fun social events to build connections, but something was missing. “Many attendees weren’t truly seeking God; they were there for fun. We hadn’t even started anything spiritually substantial yet.” When only one person came to a game night, it became a breaking point—and a turning point. Surrendering it all to God, we launched a Bible study. That same week, five new students

signed up—and most came. “It allowed me to see God work in our hearts on a personal level,” Slava says. “It’s been an incredible journey.”

At UW-Milwaukee, we witnessed prayer transform lives as we relaunched ACF with just a few faithful students and little structure. “We prayed over empty chairs, over uncertain hearts, and over each other. And God answered,” says Jonathan Acosta, missionary staff. One student, new to ministry, grew into a faithful prayer leader. Another student shared in a heartfelt speech that ACF was “the answer to a prayer he once whispered to God alone.” United by fellowship, scripture, and prayer, we served our community by feeding hundreds. Jonathan sums it up: “This isn’t just a club. This is where God met us and shaped us.”

College students are just looking for someone to walk alongside them, listen, and be there for them. Someone to provide them the space to ask questions, grow, and learn about God as they navigate adulthood. Many will become society’s leaders in business, healthcare, and government. Public Campus Ministry is essential to the church’s mission of spreading the everlasting Gospel. It equips young people to impact the world and build God’s kingdom.

COVID shut down our churches, hurt many lives, caused social isolation, and shook the next generation’s sense of hope for the future. While it may have shut down the building, it didn’t shut down the people. It taught us a more practical and personal way of doing ministry. To get involved or hear more, stop by our Pavilion booth or the Youth Cabin this week!

- Administration Building

SERVICE ANIMALS:

The only animals permitted at camp meeting will be Service Animals that have been registered with the Administration Office and checked in with camp security upon arrival. Service Animals are individually trained to provide necessary assistance to individuals with disabilities. We follow federal and state accommodation laws. Service Animals must be controlled and supervised by their handler at all times and are not permitted to roam freely within the campground. Emotional

support animals do not qualify as Service Animals.

PETS:

For the health and safety of all campers, pets are NOT to be at camp meeting. If you bring a pet, you will be required to take it elsewhere. If you cannot leave your pet at home, the following kennels are nearby.

- Evergreen Dog Retreat (Montello) 608-566-4431
- Whistling Winds Animal Getaway (Oxford) 608-440-1829

CURFEW:

All campers are to be quiet and in camping areas by 10:30 pm Sun – Fri. 1st Saturday night curfew is 11:00 pm. Second Saturday night is 11:30 pm. All property south of County Rd. E is off limits after 9:00 pm. WI-FI shuts off at 10:30pm.

CHILDREN:

Children must be supervised at all times. Pick up children within 10 min. of the close of their scheduled program. Parents with Beginner or Kindergarten aged children, please pick up ID wristbands from your division leader to aid in the event a child becomes lost.

ARRIVAL/DEPARTURE:

Gates will be locked at curfew and reopen at sunrise. All camp entries and exits must check in/out with Gatehouse Security.

Prior approval must be obtained to stay nights outside normal camp meeting days. Additional daily rate charges will apply. Be aware utilities may be interrupted due to camp set-up. If you need to drop off your trailer or RV early, please do so after the Work-

Bee and before camp pitch. Please schedule a time with the camp office prior to your arrival.

Remove all RV's, trailers, and tents at the end of camp meeting. If you plan to leave an RV or trailer, the current storage fee is due by the last business day in July.

Refrigerators must not be left outside after camp meeting. A \$50 removal fee will apply.

SPECIAL NOTICE: Due to State Licensing regulations, personal items must be taken home after camp meeting. Any personal items left will be subject to removal. The conference/campground is not responsible for lost or damaged items.

NO ITEMS MAY BE LEFT UNDER A CABIN. Violation of these regulations may result in loss of reservation as Camp Wakonda could be subject to license suspension.

CAMPSITE RENTAL:

Each campsite is designed for one family only. Rental of a campsite is for the duration of camp meeting only and shall not be designated or used by anyone as a legal residence.

It is Camp Management's desire to have all sites used every year to allow as many people as possible to attend camp meeting. To accomplish this, annual subletting will be necessary. For safety reasons all subletting **MUST** be processed through the Reservation Office. Private subletting forfeits the right to reserve the following year. Please submit sublet notifications to campmeeting@wi.adventist.org.

Any site (cabin or RV) found to be unused without notification, even if paid for, may be subject to reassignment.

All reservations for the next year must be made with 50% payment by the last business day in July and full payment by April 1st. Any site not reserved by the last business day of July, will be made available to others the following year.

Transfer of money for cancellations after May 26 is subject to ability to sublet the site.

Any renter shall lose the right to re-rent or remain in any accommodation if it is found to be occupied by children or young people, unmarried and/or under age 20, without proper chaperonage as defined by the Camp Meeting Management Committee.

Any renter shall lose the right to re-rent or remain in a campsite if found to be in violation of any of the principles of the Seventh-day Adventist Church.

Electrical service is limited.

Please limit simultaneous use of air conditioners, microwaves, hotplates, etc. especially during hot weather. No sewer, water, gas, or electrical lines or connections, temporary or permanent, may be added to those originally provided by the camp.

For safety, a working fire extinguisher is recommended for each site.

Cabins and campsites are owned and maintained by the Wisconsin Conference and are used by the constituents throughout the year for many events. As such, renters are not to make physical changes to their cabin/campsite without prior approval from the Camp Manager.

Cabin locks are maintained by the camp. See Reservations to obtain the code for your cabin lock. Private locks will be removed.

Cabins are required by Wisconsin State law to maintain a working smoke alarm. If there are problems with your smoke alarm, please fill out a work order at the information desk in the Administration Office.

By My Spirit

By: Leslie Phillips

It's not by might,
Not by power,
but by My Spirit
says the Lord.
Not by might,
Not by power,
but by My Spirit
says the Lord.

And it's not by might,
Not by power,
but by My Spirit
says the Lord.

Not by might
Not by power,
but by My Spirit
says the Lord.

These mountains
shall be removed.
I'll build My temple
in you.
And what I've
promised
shall be done.
