KEYNOTE SPEAKER:
JEAN BOONSTRA

CAMP WAKONDA

Jean Boonstra

Jean is the creator, head writer, and executive producer of the Bible-based audio series *Discovery Mountain*. An avid storyteller, Jean has authored two interactive *Discovery Mountain* adventure books and the Sarah and Heather books in the Adventist Girl series, which bring Adventist history to life through the eyes of young girls.

Jean earned her Bachelor of Arts degree in History and Political Science. While attending university in Victoria, B.C., Canada, she attended a series of evangelistic meetings and fell in love with Jesus. Since that time, she and her husband, Shawn, have followed God wherever He leads. In 2026,

Jean completed her Master of Arts in Pastoral Ministry from Andrew's University. As a pastor's wife and mother of daughters, Jean is deeply committed to encouraging women. She believes every woman is uniquely equipped and called by God for a purpose. Jean and Shawn make their home in Maryland, where they continue to follow God's leading in life and ministry.

God's grace is the loving, ever-present force shaping and molding our lives. Like a seasoned watercolorist, the potter at her wheel, or a persistent knitter, God is intentionally and lovingly shaping us. Every challenge, regret, prayer, and act of faith can become a part of His grace-filled plan. We are invited to trust the craftsmanship of His grace in the blueprint for our lives.

"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do."
