

A personal invitation

This summer at Andrews University, we are planning to renovate rooms in Lamson Hall, the principal residence hall for our undergraduate female students.

There is opportunity for everyone! We will remove existing carpet and furnishings, replace electrical and bathroom fixtures including some plumbing, paint, install new carpet and furnishings, and make this space a special place for our students.

We invite you and anyone you know to volunteer and join us on this project!

The dates are May 17 through June 5. You can sign up for 1-3 weeks. We will be happy to provide meals and lodging while you are with us for the project. We even have space for RVs.
